

Position / Title	General Labourer
Reporting to	Site Superintendent
Last updated	March 2022

Focus

Entry-level position with the potential to grow your skills in the construction industry. We are looking for an enthusiastic individual with the following skills. Please note additional training in a skill-building environment will be available to the successful applicant.

Responsibilities

- Assist Site Superintendent(s) on daily operations of both residential and commercial projects.
- Follow instructions from supervisors to perform manual labor, which includes but is not limited to moving and organizing materials as well as equipment onsite.
- Assist with clean up, material procurement, sorting, and distribution of materials to various housing builds.

Requirements

- Commitment to safe work practices.
- Great communication and teamwork skills. Willingness to work in a team environment, working with our team and trade partners.
- Ability to meet the physical demands of the job (standing for long periods of time, lifting heavy loads of up to 40 pounds, etc.)
- Familiarity with power tools and machinery is a plus.
- Operations of JCB telehandlers and skid steer is an asset but not necessary. Additional training and certification will be provided by Three Way Builders.
- Must hold a valid and up to date Manitoba Class 5 “full” driver license.
